

# GROWN BETTER IN THE GARDEN STATE!

*Spring is here and the time to  
dress up your home is now.*

When it comes to beautiful, healthy flowers, plants, trees and shrubs, nobody does it better than New Jersey's growers. Stop in at one of New Jersey's hundreds of nurseries or garden centers and take home the very best from the Garden State. You'll help keep New Jersey green and growing.

James E. McGreevey, Governor  
Charles M. Kuperus, Secretary of Agriculture
